

FENCING II
Santa Clara Adult Education
Worksheet Nine – Intermediate
Reading Assignment pp. 99-106 (Sec. Nos. 101-113) from *The Science of Fencing*

Chapter Nine

(Second Half, or harsh, actions on the blade.)

- 1. What are beats? How many are there? What are their names? (Sec. No. 101)**

- 2. How are expulsions executed? (Sec. No. 110)**

- 3. What is an advantage that expulsions have over beats? (Sec. No. 110)**

- 4. What is the difference between the blade seizure and the pressure? (Sec. No. 111
Observation)**

- 5. How is blade cover accomplished? (Sec. No. 112)**

- 6. What are disarmaments? What are the two classifications of the blade motion during the disarmament? (Sec. No. 113)**
